Asalaam Alaikum,

The burial (plot + services + opening/closing) in BC can range between \$10,000 to \$20,000+ depending on the location of the cemetery. Muslim Funeral Aid Services (**MFAS**) in partnership with Guildford Islamic Cultural Centre (**GICC**) undertook an initiative to implement a system whereby the cost of the funeral is equally shared among its members. MFAS program is based on Vedder View Gardens Cemetery in Chilliwack, BC, where the average funeral cost per deceased presently is approximately \$10,000. Currently, MFAS has **900** households that have registered and have paid the enrollment fee.

A few highlights of MFAS membership are itemized below:

- No monthly or annual fee.
- Only one-time enrollment fee of \$125 for the principal applicant. Additional family members (spouse and children) are \$25 each. Children must be under the age of 25 and unmarried, whichever comes first.
- When a member of MFAS passes away, the total cost is shared equally between all active members.
- Janaza contributions are only deducted from the principal applicant.
- Grave marker (stone) is not included.
- 90-day waiting period applies to all new applications.
- Funeral cost noted is based on Vedder View Gardens Cemetery. However, burial at other cemeteries is possible provided that the difference in price is covered by the member.
- Contributions would be considered a Sadaqa-e-Jaria until your turn comes.

For your information, MFAS went live on November 1, 2022 and since then six janazas have been administered by MFAS. The cost breakdown is shown below:

| Janaza Date | Cost Per Member |
|-------------|-----------------|
| 31-May-23   | \$20.51         |
| 23-Sep-23   | \$18.19         |
| 26-Sep-23   | \$17.65         |
| 3-Oct-23    | \$16.47         |
| 6-Dec-23    | \$15.21         |
| 11-Jan-24   | \$14.64         |

The greater the membership, the lesser the cost per member so we encourage you to enroll with MFAS. Full terms and conditions and enrollment form can be accessed at the following links:
